Interview with God – God Comes out of the Closet

Season 1, Episode 2

“God, I’m glad you could drop in again tonight.”

“Its good to be here.”

“First of all, I’m grateful for all that you have done for me. Did you have anything in particular you would like to talk about this evening?”

“Yes, as a matter of fact. You know how some people hide things about themselves and then later come out of the closet? Well I’d like to do that tonight.”

“Well, this is exciting. I never thought that we would be the first to hear that kind of news.”

“You wouldn’t be the first. I have some followers that are up to date but most people people who consider themselves Christians have no clue. I’ve come to set the record straight for any that would listen to Me.”

“This should be interesting.”

“How many people do you see sitting in My chair?”

“Just you – one.”

“Do you get the idea that there are other voices or other spirits hovering around Me that aren't Me?”

“No, you seem to be alone and speaking for yourself. Why do you ask?”

“Well I have been falsely accused and I don't like it. It makes Me appear weak and indecisive and not in complete control of things. Like I'm not up to doing My job and as if I needed someone to help Me.”

“Pray tell, what is bothering you?”

“Most of My people are calling Me a Trinity of persons that combined make up the one true God. Do I look like three persons? Do I talk like three different persons? Is there any where in My book, the Bible, that says I'm three persons?”

“Well, I don't know – I guess not.”

“Well then, why don't people take me at My Word.”

“But did you really say that you were only one person in the Bible? And how about the other two guys the Father and the Holy Ghost?”

“To answer your first question I am referred to as one – as in the **Holy One** of Israel – many times in the Bible. That might be your first clue.”

“Surely the Father and the Son are not the same thing.”

“That’s correct but my word never said **God the Son** but the **son of God**. God is spirit, Son is flesh – they are different so you are right they are not the same thing.”

“But isn’t Christ Divine?”

“All the fullness of the Godhead dwelt in Him bodily. So the Spirit that dwelt in Him was divine but His body was human flesh.”

“Then makes you at least 2 persons.”

“Yes, one God person and one human person – leaving God to only be one person.”

“What about the Holy Ghost; He’s another person isn’t he?”

“My word says God is a Spirit. The Holy Ghost is simply My spirit when it moves on people or indwells people. It is referred to as the Holy Ghost or the Holy Spirit to differentiate it from all other spirits. It is simply My spirit and not somebody else’s.”

“So you and the Holy Ghost are the Same person?”

“Correct, when I decide to talk to a person or move him to do something – It is said the Holy Spirit moved on him but it is just Me – God the Father of Creation doing it.”

“So the Holy Spirit is not another person that has a mind of his own?”

“No, it’s just Me.”

“Well, if its just you – who am I talking to: God the Father or his Son Jesus. The two of you have me all confused.

“That is an excellent question. You are talking to God manifest in the flesh which has been transformed into an immortal body.

“No one can see a spirit and certainly not the Spirit of God – it would be fatal. That is why I say in My word that the Son is the express image of God.”

“Well then, how many thrones are the in heaven and who sits on them?”

“There is one throne in heaven and one that sits on the throne.”

“I thought that Jesus sits on the right hand of God.”

“Its just a metaphor just like you would say in English. For example; if Bill had a large ranch and had a foreman, George, to run it; it could be said that George was Bill’s right hand man. It doesn’t mean literally that George is someone else's right hand – but means he has the authority and power to run things for Bill.”

“So the resurrected and transformed body of Jesus Christ is running everything?”

“Now you are getting the picture. Do you remember when I said All power in Heaven and on Earth is given to Me?”

“How can a man, even a transformed man run everything?”

“With man it is impossible but with God all things are possible.

“Remember the Spirit of God was given to Me without measure.”

“It would be nice if I had a little of that spirit in me.”

“You also are invited to partake of My Spirit as it says in my Word. In order to do that you must believe that you have sinned, that I came to die for your sins and then you must repent of your sins and be baptized in the water and take My name.

“If you sincerely do this you will receive the baptism of My Spirit. I am the prototype of many brethren to follow after Me and My example.”

“Thank you for coming again to speak to us. I will definitely look into this further.”

“Just remember that, ‘God was in Christ, reconciling the world to Himself.’ That might help to sort things out. I hope to see you soon in My kingdom.”
