

Accessing the Codex

Read The Original Word of God from the Internet

1. Type in **biblehub.com**
2. Select **Book** of interest from top menu
3. Select **Chapter**
4. Select **Verse**
5. Select **Interlin**
6. **Enlarge** for easy reading

You will notice 5 lines of text. They are:

- | | |
|--------|---|
| Line 1 | Reference number for word (click to jump to concordance) |
| Line 2 | Sometimes a correct pronunciation in English of Hebrew word |
| Line 3 | Original Word of God surrounded by vowels and cantillation marks |
| Line 4 | Sometimes an accurate English translation of the Hebrew word |
| Line 5 | Part of Speech of the Hebrew word |

You will notice that on key subject matters (like Salvation) that the translated word does not match the dictionary definition of the Hebrew word.

This is also true for the New Testament Greek.
